

Guided Tours through the AmüseuM near the Waterfalls

You should consider visiting the AmüseuM, the municipal museum, which presents traditional professions such as bell founder, printer, shoemaker, tanner and boatman. In addition, the former electoral mill features the oldest still operating turbine and interesting temporary exhibitions.

max. number of participants: 15

duration: 60 minutes (incl. 30 min. filmshow)

languages: German, English*

price: 45,- euro/51,- euro*

Special offers for school classes and kindergardens!

Guided Tours through the Mill Museum

It is our great pleasure that you and your group are interested in visiting our historical Mill Museum under the competent guidance of our mill guides. The former meal room, meal chairs, meal processes, the millstones and many further items will be explained in detail.

max. number of participants: 15

duration: 45 minutes

languages: German, English*, Dutch*

price: 45,- euro/51,- euro*

Special offers for school classes and kindergardens!

Qualified and target group specific guided tours for groups (also children) are available all around the year upon request.

The meeting point for the guided city walk can be arranged with you individually.

Cancellation policy:

You may cancel or reschedule a tour two or more days prior to the appointment at no charge. If cancellation occurs one day before the appointment, you will incur a cancellation fee equal to 50% of the tour price. You are responsible for paying 100% of the tour price if you cancel less than one day in advance or arrive later than with a 30 min delay.
